NOTICE  
AND  
NOTICE OF CONTINUANCE OF HEARING

TO ALL PARTIES OF INTEREST:

Notice is hereby given by the Administrative Law Judge that on November 1, 2006, Illinois Power Company d/b/a AmerenIP ("IP") and Ameren Illinois Transmission Company ("AITC") filed with the Illinois Commerce Commission ("Commission") a petition initiating Docket No. 06-0706. In their petition, IP and AITC request the Commission's permission to build two 138 kilovolt electric transmission lines in LaSalle County. One of the transmission lines will run from LaSalle, Illinois to Wedron, Illinois. The other transmission line will run from Ottawa, Illinois to Wedron, Illinois. IP and AITC propose specific routes for each transmission line in their petition. Other parties that have intervened in this proceeding have proposed alternative routes.

With regard to the western portion of IP and AITC's preferred route between LaSalle and Wedron, it has come to the Administrative Law Judge's attention that IP and AITC had at one time considered placing the transmission line through or along property in which you have an interest. The Administrative Law Judge now seeks additional information on the merits of constructing the transmission line along this route. As a potentially affected property owner, you may participate in this docket, which will ultimately determine the location of the transmission lines that IP and AITC wish to build. Additional information on this docket may be found on the Commission's e-Docket website. The address for the Commission's e-Docket website is: [www.icc.illinois.gov/e-Docket/](http://www.icc.illinois.gov/e-Docket/) You will need the docket number of this proceeding (06-0706) to access the relevant information. The route in question is identified as the "Y" (yellow) route on a map marked as AmerenIP Exhibit 9.6 attached to the rebuttal testimony of Mr. Douglas Emmons submitted on July 20, 2007.

Notice is also given by the Administrative Law Judge that the status hearing in the above entitled matter scheduled for October 18, 2007, has been continued to October 29, 2007, at the offices of the Commission, Springfield, Illinois, Leland Building, 527 East Capitol Avenue, at the hour of 1:30 P.M. If you wish to participate in this proceeding, you are encouraged to attend the status hearing on October 29, 2007. If you do not wish to attend the hearing in person, you may participate via telephone with the permission of the Administrative Law Judge. Be assured that no decision has been made on the placement of the transmission lines. This is merely an effort to obtain additional information which will assist in making a decision.

Sincerely,

Elizabeth A. Rolando  
Chief Clerk
